Certificate II in LANDSCAPING

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

SCAPE YOUR CAREER

Gain the fundamental job-ready skills and better your chances at landing an Apprenticeship in the horticulture industry. This nationally recognised qualification covers the basics of working in landscaping and will show employers you're serious about your career.

If you're passionate about the great outdoors and all things plants and landscapes, this is the course for you. You will learn about identifying plants, treating weeds, assisting with landscape construction works and propagating plants.

There are no entry requirements for this course.

BENEFITS

-  Pave your way with a nationally recognised qualification for greater career opportunities
