# Certificate III in BEEKEEPING

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

## SWEETEN YOUR CAREER

Gain the fundamental skills of Beekeeping and advance your knowledge in this exciting industry, whether you are an experienced commercial beekeeper or hobbyist, there is something for everyone in this course.

Learn the skills and knowledge of a honey bee (Apis) beekeeper, including the establishment of beehives and apiaries, the transport of live bees and the management of bees for honey production and/or provision of pollination services. Legislation, regulations and by-laws relating to beehive ownership and biosecurity codes of practice apply in some states and territories.

Entry requirements for this course is that you must have your own access to a live bee hive.
