Certificate I in CONSTRUCTION

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

BUILD YOUR CAREER

Gain the fundamental job-ready skills and better your chances at landing an Apprenticeship in the construction industry. This nationally recognised qualification covers the basics of working in construction and will show employers you're serious about your career.

This course covers essential work health and safety requirements, and teaches you the necessary skills and use of construction tools and equipment, reading and interpreting plans, making measurements and calculations and communicating in the workplace.

There are no entry requirements for this course.

BENEFITS

-  Pave your way with a nationally recognised qualification for greater career opportunities
-  Achieve your goals with real world experience and hands on training
