Certificate III in **CARPENTRY**

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

BUILD YOUR CAREER

Become a Trade Qualified Carpenter and start your career in one of the most versatile occupational sectors that you can enter.

In this course you will learn how to construct, install, finish and repair structures and fixtures for residential, commercial and industrial projects. Working on frames, roofs and eaves you will master the art of transferring specs into precisely measured structures.

This course meets the technical requirements for a **Carpentry Licence with QBCC**.

Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

-  Pave your way with a nationally recognised qualification for greater career opportunities
-  Achieve your goals with real world experience while you earn - Train On-Site!
