Certificate III in **CONCRETING**

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

CONCRETE YOUR CAREER

Become a Trade Qualified Concreter and start your career in one of the most versatile occupational sectors that you can enter.

In this course you will learn how to place, finish and cure concrete. Master the operation of plant, tools and equipment relevant to the concreting trade and learn how to place and fix reinforcement materials.

This course meets the technical requirements for a **Concreting Licence with QBCC**.

Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

-  Pave your way with a nationally recognised qualification for greater career opportunities
-  Achieve your goals with real world experience while you earn - Train On-Site!
-  Mentorship from highly qualified trainers

FUNDING

For eligible participants this training can be delivered through a Traineeship pathway under the User Choice Program or the Construction Skills Queensland Skills Assessment and Gap Training initiative. If you aren't eligible, you can still enrol in the course as a full fee paying student.

YOUR CAREER REALISED

Career Outcomes
