Certificate III in **CONSTRUCTION** **WATERPROOFING**

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

SEAL YOUR CAREER

Become a Trade Qualified Waterproofer and start your career in one of the most versatile occupational sectors that you can enter.

Covering core competencies common to the construction industry you will also learn skills specific to waterproofing. Learn how to apply waterproofing below ground level and to internal and external wet areas to prevent water or damp from damaging building walls and other structures.

This course meets the technical requirements for a **Waterproofing Licence with QBCC**.

Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

-  Pave your way with a nationally recognised qualification for greater career opportunities
-  Achieve your goals with real world experience while you earn - Train On-Site!
-  Mentorship from highly qualified trainers

FUNDING

For eligible participants this training can be delivered through an Apprenticeship pathway under the User Choice Program or the Construction Skills Queensland Skills Assessment and Gap Training initiative. If you aren't eligible, you can still enrol in the course as a full fee paying student.

YOUR CAREER REALISED
