

BSB41419

Certificate IV in **WORK HEALTH AND SAFETY**

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

BUILD YOUR CAREER

This qualification is designed specifically to give you specialised skills and knowledge in areas of WHS implementation, maintenance and response. This course is generally considered the minimum entry point for anyone wanting to work in occupational work, health & safety.

During your training, you will cover a broad range of practical skills and knowledge that will allow you to provide accurate, valid and timely Work Health and Safety (WHS) advice to ensure that everyone's right to be safe at work is enforced.

Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

-  Pave your way with a nationally recognised qualification for greater career opportunities
-  Take control of your study with self-paced online delivery
-  Mentorship from highly qualified trainers

FUNDING

For eligible participants this training can be delivered through the Construction Skills Queensland Higher Qualifications initiative. If you aren't eligible, you can still enrol in the course as a full fee paying student.
