## Certificate III in **LANDSCAPE CONSTRUCTION**

Founded by experts in the Building and Construction industry, **Foundation Training Australia** knows what it takes to train workforce ready, industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential.**

We believe in a NO BS approach to learning providing you with expert, qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest, when you're ready, work with the best.

## CONSTRUCT YOUR CAREER

Get your hands dirty in this landscape construction course! Gain the practical skills to work as a structural landscaper in the commercial and residential construction industries.

In this course you will learn how to build retaining walls, construct brick, block and concrete structures, make plant selection and design landscapes. You'll get the fundamentals in soil structure, garden prep and structuring a site for construction works.

This course meets the technical requirements for a **Structural Landscaping (Trade) Licence with QBCC.**

Entry requirements for this course is that you must be currently employed in the industry.

## BENEFITS

-  Pave your way with a nationally recognised qualification for greater career opportunities
-  Achieve your goals with real world experience while you earn - Train On-Site!
-  Mentorship from highly qualified trainers

## FUNDING

For eligible participants this training can be delivered through an Apprenticeship pathway under the User Choice Program or the Construction Skills Queensland Skills Assessment and Gap Training initiative. If you aren't eligible, you can still enrol in the course as a full fee paying student.
