FOUNDATION
TRAINING
AUSTRALIA

ambition inspired

Founded by experts in the building and construction industry, **Foundation Training Australia** knows what it takes to train workforce ready and industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential.**

We believe in a **NO BS** approach to learning, providing you with expert qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest. When you're ready, work with the best.

STEP INTO CONSERVATION

Ignite your passion for the environment. This qualification is ideal for anyone wanting to start a career in the horticulture industry and looking to gain a foundational understanding of ecosystems and conservation initiatives.

Begin your career as a protector of wildlife and habitat in the natural ecosystem, parks and reserves.

In this course, you'll get an introduction to ecological restoration work with specific training on outdoor workplace safety protocols, chemical safety, and wearing personal equipment PPE.

You'll also learn how to use the range of outdoor machines and equipment and get involved in native seed collection.

BENEFITS

-  Pave your way with initially recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn train on site.
-  Mentorship with highly qualified trainers.

YOUR CAREER REALISED

Career Outcomes

How exciting! Here are some potential career outcomes to consider:

Horticulture Assistant
