AHC20624

Certificate II in

PARKS AND GARDENS

ambition inspired

Founded by experts in the building and construction industry, **Foundation Training Australia** knows what it takes to train workforce ready and industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential.**

We believe in a **NO BS** approach to learning, providing you with expert qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest. When you're ready, work with the best.

GROW YOUR FUTURE

Graduates of the AHC20624 Certificate II in Parks and Gardens will be equipped with foundational skills to excel in various roles within the horticulture industry.

This qualification enhances capabilities in plant care, soil management, irrigation, and the safe use of horticultural tools and machinery.

Graduates will be prepared to support the cultivation and maintenance of gardens, parks, and other green spaces, making them valuable contributors to the horticulture and landscaping sectors.

You'll also learn how to use the range of outdoor machines and equipment and get involved in native seed collection.

BENEFITS

-  Pave your way with initially recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn train on site.
-  Mentorship with highly qualified trainers.

FUNDING

For eligible participants, this training can be delivered under the Vet Investment initiative Certificate 3 Guarantee Program. If you aren't eligible, you can still enrol in the course as a full fee paying student.

YOUR CAREER REALISED

Career Outcomes
