FOUNDATION  
TRAINING  
AUSTRALIA

ambition inspired

Founded by experts in the building and construction industry, **Foundation Training Australia** knows what it takes to train workforce ready and industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential**.

We believe in a **NO BS** approach to learning, providing you with expert qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest. When you're ready, work with the best.

## GROW YOUR FUTURE

The Certificate II in Horticulture (AHC20422) is your first step into the dynamic world of horticulture, offering practical, hands-on training that sets you up for a rewarding career outdoors.

This course provides foundational skills and knowledge across various horticulture practices, including plant care, soil health, pest management, and safe work procedures.

Whether you're looking to start your career in horticulture, pursue further studies, or enhance your existing skills, this course offers a great blend of theory and practice, helping you build a solid foundation in horticulture. You'll graduate ready to work as a horticulture assistant, groundskeeper, or in various other entry-level roles within the industry.

There are no entry requirements for this qualification.

## BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn train on site.
-  Mentorship with highly qualified trainers.

## FUNDING

For eligible participants, this training can be delivered through the VET Investment Certificate 3 Training Guarantee in Qld initiative. If you aren't eligible, you can still enrol in the course as a full-paying student.

### YOUR CAREER REALISED

## Career Outcomes

How exciting! Here are some potential career outcomes to consider:
