# Certificate III in **CIVIL CONSTRUCTION** (General)

ambition inspired

Founded by experts in the building and construction industry, **Foundation Training Australia** knows what it takes to train workforce ready and industry leading trade professionals.

We seek to guide your best self and truly **Develop Your Human Potential.**

We believe in a **NO BS** approach to learning, providing you with expert qualified trainers, flexible study options and hands on support to set you up for success and keep you motivated.

Don't settle! Whilst you will see the rest. When you're ready, work with the best.

## PAVE YOUR CAREER

The **RII30920 Certificate III in Civil Construction (General)** provides learners with the foundational skills and knowledge required to work across various roles in the civil construction industry. Covering a broad range of topics, including safety protocols, operational techniques, and equipment handling, this qualification equips learners to undertake general civil construction tasks.

The course is ideal for those seeking entry-level positions or looking to enhance their capabilities within the industry, with a focus on real-world, practical skills that meet current industry standards and safety requirements. Learners will be well-prepared for careers in roadworks, drainage, and other civil infrastructure projects.

Entry requirements for this course is that you must be currently employed in the industry.

## BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn train on site.
-  Mentorship with highly qualified trainers.

## FUNDING

For eligible participants, this training can be delivered through a traineeship pathway under the User Choice Program. If you aren't eligible, you can enrol in the course as full fee paying student.

### YOUR CAREER REALISED

## Career Outcomes

How exciting! Here are some potential career outcomes to consider:

**Construction Worker**

**Civil Construction Plant Operator**

**Civil Team Leader**
