

# CPC20220 Certificate II in CONSTRUCTION PATHWAYS

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.

Don't just learn a trade, master it. Train with the best.

## BUILD YOUR CAREER

This nationally recognised qualification is the starting point for anyone serious about a career in construction. It covers the fundamental skills of working in the industry as a trades assistant or labourer.

Not to mention, this course is the perfect segway into a Trade Apprenticeship. Throughout this course you will learn skills in reading plans, taking measurements and gain an understanding of the various construction stages.

There are no entry requirements for this course.

## BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn and train on site.
-  Mentorship from highly qualified trainers

## FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us [info@fta.edu.au](mailto:info@fta.edu.au) or 1300 990 064.
