

CPC30320 Certificate III in CONCRETING

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.

Don't just learn a trade, master it. Train with the best.

GROW YOUR FUTURE

Become a Trade Qualified Concretor and start your career in one of the most versatile occupational sectors that you can enter.

In this course you will learn how to place, finish and cure concrete. Master the operation of plant, tools and equipment relevant to the concreting trade and learn how to place and fix reinforcement materials.

This course meets the technical requirements for a Concreting Licence with QBCC.
Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

-  Pave your way with recognised qualification for greater career opportunities.
-  Achieve your goals with real world experience while you earn and train on site.
-  Mentorship from highly qualified trainers

FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us info@fta.edu.au or 1300 990 064.

YOUR CAREER REALISED

Career Outcomes

How exciting! Here are some potential career outcomes to consider:

Concretor

Concrete Tilt Panel Fabricator

Concrete Pump Operator

BUILD YOUR DREAM CAREER
