AHC30921
Certificate III in **LANDSCAPE CONSTRUCTION**

FOUNDATION TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

CONSTRUCT YOUR CAREER

Get your hands dirty in this landscaping construction course! Gain the practical skills to work as a structural landscaper in the commercial and residential construction industries.

In this course, you will learn how to build retaining walls, construct brick, block and concrete structures, make plant selections and design landscapes. You'll get the fundamentals in soil structure, garden prep and structuring a site for construction works.

This course meets technical requirements for a **Structural Landscaping (Trade) License with QBCC.**

An early requirement for this course is that you must be currently employed in the industry.

BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers

FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us info@fta.edu.au or 1300 990 064.
