AHC31024
Certificate III in **PARKS AND GARDENS**

FOUNDATION™ TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

NURTURE YOUR CAREER

Parks and gardens are at the centre of community and supporting infrastructure within a green environment. The AHC31024 Certificate III in Parks and Gardens will give you the skills and knowledge to start your career in maintaining and creating public green spaces.

In this course, you'll gain skills in tree inspections, soil analysis, controlling weeds and plant pests and how to inspect park facilities. This course can give you multiple pathway options across the horticultural industry.

Entry requirements for this course is that you must be currently employed in the industry

BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers

FUNDING
