Certificate III in **BEEKEEPING**

FOUNDATION™ TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

SWEETEN YOUR CAREER

Gain the fundamental skills of Beekeeping and advance your knowledge in this exciting industry, whether you are an experienced commercial beekeeper or hobbyist, there is something for everyone in this course.

Learn the skills and knowledge of a honey bee (Apis) beekeeper, including the establishment of beehives and apiaries, the transport of live bees and the management of bees for honey production and/or provision of pollination services. Legislation, regulations and by-laws relating to beehive ownership and biosecurity codes of practice apply in some states and territories.

Entry requirements for this course is that you must have your own access to a live bee hive.

BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers
