CPC30220
Certificate III in **CARPENTRY**

FOUNDATION™ TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

BUILD YOUR CAREER

Become a Trade Qualified Carpenter and start your career in one of the most versatile occupational sectors that you can enter.
In this course you will learn how to construct, install, finish and repair structures and fixtures for residential, commercial and industrial projects.

Working on frames, roofs and eaves you will master the art of transferring specs into precisely measured structures.

This course meets the technical requirements for a Carpentry Licence with QBCC.
Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers

FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course. While non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us info@fta.edu.au or 1300 990 064.

YOUR CAREER REALISED
