CPC30320
Certificate III in **CONCRETING**

FOUNDATION™ TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

GROW YOUR FUTURE

Become a Trade Qualified Concreter and start your career in one of the most versatile occupational sectors that you can enter.

In this course you will learn how to place, finish and cure concrete. Master the operation of plant, tools and equipment relevant to the concreting trade and learn how to place and fix reinforcement materials.

This course meets the technical requirements for a Concreting Licence with QBCC.
Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

- Pave your way with a nationally recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers
