CPC31320
Certificate III in
WALL AND FLOOR TILING

FOUNDATION™ TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

PAVE YOUR CAREER

Become a trade-qualified Wall and Floor Tiler and start your career in one of the most versatile and in-demand sectors of the construction industry.

In this course, you will learn how to lay tiles on internal and external walls and floors, using tiles as both protective and decorative finishes. You will also develop the skills to confidently and safely operate tile-cutting tools and equipment.

This course meets the technical requirements for a Wall and Floor Tiling Licence with the QBCC.
Entry requirement: You must be currently employed in the tiling industry to enrol in this course.

BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers

FUNDING

Foundation Training Australia provides a range of funding opportunities designed to support your learning needs and career goals. Eligible participants may be able to access partial or full funding for this course.while non-eligible participants can enrol as full-fee paying students. For more information or to confirm eligibility, please contact us info@fta.edu.au or 1300 990 064.

YOUR CAREER REALISED

Career Outcomes
