Certificate III in
# CONSTRUCTION WATERPROOFING

FOUNDATION™ TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training,
we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, and practical, hands-on support, you'll gain the confidence, skills, and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

## PAVE YOUR CAREER

Build a career in a specialised and in-demand area of the construction industry with a Certificate III in Waterproofing.

Whether you're looking to start a career in construction, expand your existing trade skills or take your business to the next level, this qualification can help you develop the practical knowledge and skills needed to succeed. Learn how to prepare surfaces, apply waterproofing systems, interpret plans and specifications, and complete waterproofing work to industry standards. With the right training and hands-on experience, you can open the door to opportunities across residential, commercial and construction projects.

Turn your skills into a qualification and take the next step in your construction career with FTA.

## BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers
