Advanced Diploma of **BUILDING AND CONSTRUCTION** (Management)

FOUNDATION™ TRAINING AUSTRALIA

ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, practical, hands-on support, you'll gain the confidence, skills and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

BUILD YOUR CAREER

This program is designed to meet the needs of senior managers within the building and construction industry who are seeking to obtain a Queensland Building and Construction (QBCC) Builder Open licence.

You will gain the advanced expertise necessary to provide advisory, administrative and management services for the construction of a range of building projects, including high-rise and complex structures.

This course meets the technical requirements for a **Builder (Open) Licence with QBCC.**

Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers
