# Certificate II in **RESOURCES AND INFRASTRUCTURE WORK PREPARATION**

FOUNDATION™ TRAINING AUSTRALIA

ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, practical, hands-on support, you'll gain the confidence, skills and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

## LAUNCH YOUR CAREER

This nationally recognised qualification is the starting point for those wanting to build a career in the Resource and Infrastructure industries. It is a pathway qualification that looks to prepare you for continued learning in the industry.

In this course you'll learn to conduct local risk control, work safely and within Work Health and Safety requirements, plan and organise work and effectively communicate in the workplace. These are all fundamental skills of a skilled industry worker.

There are no entry requirements for this course.

## BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers
