FOUNDATION™ TRAINING AUSTRALIA
ambition inspired

With deep roots in the Building and Construction industry, we know what it takes to shape workforce-ready, highly skilled trade professionals who stand out from the crowd.

At FTA, we don't just deliver training, we unlock potential.

Our focus is simple: real results, expert guidance, and pathways to success. With qualified trainers, flexible study options, practical, hands-on support, you'll gain the confidence, skills and drive to thrive in your career.
Don't just learn a trade, master it. Train with the best.

ADVANCE YOUR CAREER

Want to get your hands dirty and stay away from a life spent in an office? Then a civil industry might just be for you.

Is a nationally recognised course. You'll learn a broad range of skills relevant to general civil construction, occupations and large-scale infrastructure projects. As well as develop capabilities in infrastructure building site preparation which will offer many different career options in the industry.

This course meets the technical requirements for **Foundation Work, (piling and anchors) licence** with QBCC.

Entry requirements for this course is that you must be currently employed in the industry.

BENEFITS

- Pave your way with recognised qualification for greater career opportunities.
- Achieve your goals with real world experience while you earn and train on site.
- Mentorship from highly qualified trainers
